

Proposal Photography & Video

## Proposal Photography & Video

The greatest way to eternalize your proposal to your partner is to capture the “yes” on camera! Before the proposal, we’ll thoroughly discuss your proposal plan, location, etc. On the big day, I’ll be hiding out, taking pictures (or video!) of the moment you pop the question. If time allows (and if you wish), we will have a portrait session after the proposal to showcase your new engagement, and I’ll get some closeup shots of the new beautiful ring!
