PORTRAIT PHOTOSHOOT

HALF HR: 1 outfit / 1 location **+\$200** • **1 HR:** 2 outfits / 1-2 locations **+\$275**

Prior to your son or daughter's party, we will have a portrait session to make him/her feel comfortable in front of the camera and get some great portraits that can be used for a guest book, sign-in board, posters, banners, or displaying at the event!

**A half hour photo session is complimentary for Gold & Platinum packages!*

PHOTOGRAPHY OPTIONS

ONE PHOTOGRAPHER

4 hrs **\$1300** • 6 hrs **\$1700** • 8 hrs **\$2100** • each addtl hr **+\$200**

All images are edited for optimal color, exposure, contrast, etc. Images are also lightly retouched. You will receive all of the high resolution photos on a flash drive. You are also given the usage rights which allows you to post, prints, and share the images as you wish. The photos are also posted to an Online Gallery where friends and family can view, share, and order prints directly through the site if they wish.

SECOND SHOOTER

4 hrs **+\$240** • 6 hrs **+\$360** • 8 hrs **+\$480** • each addtl hr **+\$60**

Adding an additional photographer will ensure that all angles of the big day are captured. This also allows us to capture more of the guests and adds the number of photos in your final collection of photos.

** Events with more than 200 guests will require a third shooter. **

The footage will be edited into an 4-8 minute video highlighting the greatest moments of your son or daughter's big day. The highlight video combines video clips, audio, licensed music, etc.

** In addition to the edited video, you will also receive all of the raw, unedited video clips. **

Lin Pernille Kristensen
Lin Pernille Photography
Photographer & Videographer

I fell in love with wedding & event photography when I shot my first wedding at 18 years old. When I was 20 years old, during my junior year in college, I knew that I had found my passion and decided to incorporate my photography business. Since then, I have been lucky enough to capture countless events and weddings of a wide variety of cultures and styles. I will always strive to capture the mood, style, and all the important moments to the best of my abilities, while being attentive yet unobtrusive, and making everyone feel comfortable and calm throughout the whole day. I'm very grateful to be able to do what I love. Please feel free to contact me and I'll be happy to answer any questions or help you plan & book your event!
